

Form 99 Response for reason of Amendment FEC-515467 ---

A husband and wife contributed an excessive amount of \$2,400 each on 10/7/2010. On 10/13/2010, the Committee erroneously sent a refund check to different contributors with a similar name, and address. Once the campaign was made aware of this situation the two checks were void and returned to the Committee, which then took corrective action by reissuing the two \$2,400 checks on 10/30/2010 to the correct couple. This resulted in the Committee s reported cash-on-hand being understated by \$4,800. The 11/3/2010 amendment to the pre-general election report corrects this error.
